

**EPA Bristol Bay Watershed Assessment
Summary of Tribal Consultation Efforts
May 1, 2013**

- On February, 2011 all 31 Bristol Bay Tribes were invited to consult on the Watershed Assessment.
- EPA's consultation efforts have been a mix of formal government to government meetings and tribal involvement meetings.
- The first table below lists the Alaska Native organizations that were represented at meetings with EPA Region 10 about the Watershed Assessment.
- The second table lists most of the formal meetings that were held by EPA Region 10 to involve tribal entities in the assessment process.
- Fifteen EPA employees made 24 visits to 12 different Alaska Native Villages.
- Four Senior EPA Executives had meetings with Tribal organizations in Anchorage and 6 Alaska Natives villages.
- EPA met with representatives of 17 villages and 9 native corporations.
- EPA held two meetings in conjunction with Nuna Resources that were specifically targeted to Native Corporations.
- On April 26, 2013 a CD of the revised draft Watershed Assessment and hard copies of the revised draft Executive Summary was mailed to all 31 Bristol Bay tribes with an invitation to consult on the April 26, 2013 draft of the Watershed Assessment.
- On April 30, 2013 EPA Region 10 met with representatives of the Curyung Tribal Council, the Koliganek Village Council and Nunamta Aulukestai, an organization of Tribal Governments and Corporations.
